Navi Mumbai, India

Complete year

2017

Architect

Hiten Sethi Architects

Landscape Architect

HOK

Owner

L&T Realty

Feature products

Architectural Hardware
Master-keyed Cylinders
Automatic Sliding Doors

Project Details

Seawoods Grand Central Mall, an iconic complex, located at Navi Mumbai, is part of Nexus Group of Malls. It is India's largest Transit Oriented Development (TOD). The mall is also going to have a multiplex and an entertainment zone very soon.

Besides being directly connected to the Seawoods railway station, it is 5 minutes from Belapur CBD, easily accessible from express highway and closer to proposed Navi Mumbai Metro corridor.

Solution

ASSA ABLOY India successfully supplied and oversaw the installation of mechanical hardware of over 3,500 doors which included multilevel master keyed cylinders. The massive project also included supply and installation over automatic sliding doors. The entire project was completed in a record time and the efforts were recognized by the client, which resulted in winning other projects like L&T Emerald Isle and L&T Crescent Bay.
